This interactive presentation is designed to provide information and take on your questions.

It's meant for anyone who has been touched by addiction in any way in their lives.

Speaker Marlene Qualle

has been leading Unity services for nearly 30 years, and is grateful to have found a spiritual community where she can be open about her recovery, and be accepted for who she is.

Sought through prayer and meditation to improve our conscious contact with God, praying only for His will for us and the power to carry that out.
