

Random Words of Kindness

The Outreach Ministry Team invites you to
bring in unused Greeting Cards
—with a message or blank—
which will then be used to send

Random Words of Kindness

to people in and around our community.

Please bring your cards (with envelopes if possible) and place them in the designated basket in the Atrium.

A great opportunity for your homemade cards to go to good use!

This will be an ongoing project, so cards are welcome at any time.

Your additional donation of stamps will help offset our mailing costs.

We thank you!
